Revised January 8th 2008

LIFETIME LIMITED WARRANTY

We warrant, for a period of **5 years** from the date on the original sales invoice that all Protective Garments manufactured by INNOTEX, will be free from defects in material and workmanship when used in accordance with acceptable fire fighting, rescue or emergency procedures by appropriately trained personnel.

This product conforms to listed standards in effect at time of manufacture. Please note that only you can determine the suitability of this Protective Garment for your intended use.

WHAT IS COVERED

We will repair or replace, at our option, any Protective Garment which we determine to have a defect in material or workmanship.

EXCLUSION

Are not covered damages resulting from misuse, abuse, neglect, modification, alteration or otherwise non-compliance with the instructions contained in the Protective Garment User Guide (including failure to respect and document proper maintenance and storage practices for the Protective Garment or any applicable laws, regulations, standards or best practices). No other damages will be covered, including shading, discoloration or color runs, damages due to ultra violet rays, DRD, damages caused by improper cleaning, normal wear and tear, loss of retro-reflectibility or damage to zippers or snaps.

We hereby disclaim any liability for any other damages or losses, including consequential, incidental, exemplary, punitive or other damages (Including without limitation any damages resulting from or arising from the repair or replacement of the Protective Garment by an non-authorized third party, arising from the use of the Protective Garment or the inability to use the Protective Garment during the limited warranty coverage period).

THIS LIMITED WARRANTY IS IN LIEU OF ANY OTHER WARRANTY, INCLUDING WITHOUT LIMITATION, ANY WARRANTY, EXPRESSED OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. YOUR LOCAL LAWS MAY NOT AUTHORISE SUCH LIMITATIONS AND GRANT YOU SPECIFIC RIGHTS. IN THIS EVENT THIS LIMITATION SHALL BE DEEMED NULL AND VOID.

HOW TO HAVE LIMITED WARRANTY COVERAGE HONORED.

All defects to your Protective Garment must be declared to INNOTEX within 48 hours of occurrence. Once a defect has been deemed eligible INNOTEX will, at its discretion, repair or replace the Protective Garment.

All repairs or replacement to your Protective Garment are deemed to have been made for cosmetic purpose only and have to be accepted by the user 3 days after receipt of the Protective Garment.

All parts of a Protective Garment that is repaired or replaced (or any components thereof) become the property of INNOTEX.

Important:
As a health safety for our personnel please note that before sending any products for warranty and non warranty repairs, they must have been cleaned and decontaminated.

Otherwise, the necessary fees will be charged and this may delay the repair process.

3.1 **Introduction:**

Pursuant to N.C. G.S. 160-a-461 and 143-129(e)(3), the City of Charlotte Management & Financial Services, Finance Office – Procurement Management has established the CCPA. The purpose of the CCPA is to allow other public agencies regionally and nationwide to use contracts competitively solicited and awarded by the City of Charlotte (herein "CLT"). Combining the volumes of government agencies achieves cost effective pricing and reduces the administrative and overhead costs of suppliers and public agencies alike. By providing a comprehensive and competitively solicited Contract through a single bid process, county, city, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution (including community colleges, colleges and universities, both public and private), state, other government agency or nonprofit organization can utilize the subsequent contract(s) without the need for further solicitation. Bidders should consider the potential volumes when responding to this ITB. Participation by other entities is strictly voluntary and no volumes are guaranteed. Participating Public Agencies will be required to register with the CCPA at: www.charlottealliance.org.

(D) Bids must include in detail how the Bidder plans to service all Participating Public Agencies as it relates to the CCPA. Currently the CCPA has approximately 300 registered Participating Public Agencies in California, Georgia, Michigan, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia. Please address the following in your bid response as Attachment 2:

1. Ability to provide Products/Services to any Participating Public Agency in the contiguous 48 states; and the ability to deliver Products/Services in Alaska and Hawaii; and

2. Address if the Bidder has a national sales force, dealer network or distributor with the ability to serve Participating Public Agencies in all 50 U.S. states.

(B) Bids must include in detail how the Bidder will monitor and report all spend by CLT/Participating Public Agencies to the CLT for auditing purposes as Attachment 2.

(C) The City of Charlotte will post all awarded contracts on the CCPA website, along with the respective vendor information. Please address the following in your bid response:

1. Indicate if the Bidder will allow the City to utilize their organization's logo on the CCPA website;

2. Address if the Bidder will advertise the CCPA logo and website on their organization's website; and

3. Bids must include in detail how the Bidder plans to market the Contract(s) as a result of this ITB as Attachment 2.
