- Action:**
- A. Approve a unit price, low-bid contract with TASER International, Inc. for the purchase of tasers and related products for the term of five years, and**
 - B. Authorize the City Manager to extend the contract for up to two additional, one-year terms with possible price adjustments as authorized by the contract.**

Staff Resource(s): Marie Harris, Shared Services
Major Michael Adams, Police

Explanation

- The Charlotte-Mecklenburg Police Department uses tasers to restrain violent individuals when alternative restraint tactics fail; or are reasonably likely to fail; and/or where it would be unsafe for officers to approach a subject to apply restraints.
 - A taser uses an electrical current to temporarily disrupt voluntary control of muscles causing short-term neuromuscular incapacitation.
- The Shared Services Procurement Management Division, on behalf of Police and the Charlotte Cooperative Purchasing Alliance, issued an Invitation to Bid for tasers and related products on October 17, 2013; one bid was received.
- The unit prices are set forth in the proposed contract, and are available upon request.
- Annual expenditures under the contract are estimated to be \$175,000.

Background

- The Alliance is a cooperative purchasing program established by Procurement with the specific purpose of reducing costs by leveraging aggregate purchasing volume to receive better pricing.
- Approximately five public entities have expressed interest in using this contract through the Alliance.

10 Section 21 of the Contract ("Miscellaneous") is hereby appended as follows:

21.14. *IRAN DIVESTMENT ACT.*

Company certifies that: (i) it is not identified on the Final Divestment List or any other list of prohibited investments created by the NC State Treasurer pursuant to N.C.G.S. 147-86.58; (ii) it will not take any action causing it to appear on any such list during the term of this Contract; and (iii) it will not utilize any subcontractor that is identified on any such list to provide goods or services hereunder.

21.15 *PRE-AUDIT.*

No pre-audit certificate is required under N.C. Gen. Stat. 159-28(a) because this Contract is for an indefinite quantity with no minimum purchase requirement. Notwithstanding anything contained herein to the contrary, this Contract does not require the City to purchase a single product or service, and a decision by the City to not make any purchase hereunder will violate neither this Contract nor any implied duty of good faith and fair dealing. The City has no financial obligation under this Contract absent the City's execution of a valid and binding purchase order or contract addendum containing a pre-audit certificate.

11 Except to the extent specifically provided above, this amendment shall not be interpreted or construed as waiving any rights, obligations, remedies, or claims the parties may otherwise have under the Contract.

12 In all other respects and except as modified herein, the terms of the Contract shall remain in force and effect.

[Signature Page Follows]

IN WITNESS WHEREOF, and in acknowledgement that the parties hereto have read and understood each and every provision hereof, the parties have caused this Third Amendment to be executed as of the date first written above.

At any time during the OSP term the Agency may choose to receive the CEW, battery and holster by providing a \$0 purchase order. At the time elected to receive the CEW, the Agency may choose from any current CEW model offered. The OSP plan must be purchased for a period of 5 years. If the OSP is terminated before the end of the term and the Agency did not receive a CEW, battery or holster, then we will have no obligation to reimburse for those items not received. If OSP is terminated before the end of the term and the Agency received a CEW, battery and/or holster then (a) the Agency will be invoiced for the remainder of the MSRP for the Products received and not already paid as part of the OSP before the termination date; or (b) only in the case of termination for non-appropriations, return the CEW, battery and holster to TASER within 30 days of the date of termination.

- 5 **TAP Upgrade Models.** Upgrade Models are to be provided as follows during and/or after the TAP Term: (i) an upgrade will provided in year 3 if the Agency purchased 3 years of Evidence.com services with Ultimate Licenses or Unlimited Licenses and all TAP payments are made; or (ii) 2.5 years after the Effective Date and once again 5 years after the Effective Date if the Agency purchased 5 years of Evidence.com services with an Ultimate License or Unlimited Licenses or OSP and made all TAP payments.

For CEW Upgrade Models TASER will upgrade Products, free of charge, with a new unit that is the same product or a like product, in the same weapon class ("Upgrade Model"). For example: (a) if the Product is a single bay CEW, then Agency may choose any single bay CEW model as the Agency's Upgrade Model; (b) if the Product is a multibay CEW, then Agency may choose any multi-bay CEW model as the Upgrade Model; and (c) if the Covered Product is a TASER CAM recorder, then the Agency may choose any TASER CAM model as an Upgrade Model. To continue TAP coverage for the Upgrade Model, the Agency must elect TAP and will be invoiced for the first year payment at the time the upgrade is processed. The TAP payment amount will be the rate then in effect for TAP. Agency may elect to receive the Upgrade Model anytime in the 5th year of the TAP term as long as the final payment has been made.

Any products replaced within the six months prior to the scheduled upgrade will be deemed the Upgrade Model. Thirty days after the Upgrade Models are received, the Agency must return the products to TASER or TASER will deactivate the serial numbers for the products received unless the Agency purchases additional Evidence.com licenses for the Axon camera products the Agency is keeping. The Agency may buy a new TAP for any Upgraded Model.

5.1. TAP Axon Camera Upgrade Models.

5.1.1. If the Agency purchased TAP for Axon Cameras as a stand-alone service, then TASER will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera that is the same product or a like product, at TASER's sole option. TASER makes no guarantee that the Upgrade Model will utilize the same accessories or Dock. If the Agency would like to change product models for the Upgrade Model, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Upgrade Model and the MSRP for the model that will be acquired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Upgrade Model.

5.1.2. If the Agency purchased Unlimited License or OSP, then TASER will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera of the Agency's choice.

5.2. TAP Dock Upgrade Models. TASER will upgrade the Dock free of charge, with a new Dock with the same number of bays that is the same product or a like product, at TASER's sole option. If the Agency would like to change product models for the Upgrade Model or add additional bays, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Upgrade Model and the MSRP for the model desired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Upgrade Model.

- 6 **TAP Termination.** If an invoice for TAP is more than 30 days past due or the Agency defaults on its payments for the Evidence.com services then TASER may terminate TAP and all outstanding Product related TAPs. TASER will provide notification that TAP coverage is terminated. Once TAP coverage is terminated for any reason, then:

- 6.1. TAP coverage will terminate as of the date of termination and no refunds will be given.
- 6.2. TASER will not and has no obligation to provide the free Upgrade Models.
- 6.3. The Agency will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products provided under TAP. If the Spare Products are returned within 30 days of the Spare Product invoice date, credit will be issued and applied against the Spare Product invoice.
- 6.4. The Agency will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TAP.
- 6.5. If the Agency received Axon Products free of charge and TAP is terminated before the end of the term then (a) the Agency will be invoiced for the remainder of the MSRP for the Products received and not already paid as part of the TAP before the termination date; or (b) only in the case of termination for non-appropriations, return the Products to TASER within 30 days of the date of termination.
- 6.6. If the Agency made two or more annual TAP payments, then the Agency will: retain the extended warranty coverage; receive a 50% credit for the difference between TAP payments paid prior to termination and the extended warranty price then in effect for each CEW covered under TAP; and have until the date listed on the termination notification to apply that credit toward the purchase of any TASER products. The credit amount available and expiration date of the credit will be provided as part of the termination notification.
- 6.7. If the Agency made only one annual TAP payment, then the Agency may elect to pay the difference between the price for the extended warranty then in effect and the payments made under TAP to continue extended warranty coverage. This election must be made when written notice of cancellation is submitted by the Agency. If the Agency does not elect to continue with an extended warranty, then warranty coverage will terminate as of the date of cancellation/termination.
- 6.8. If the Agency received a credit towards the first TAP payment as part of a trade-in promotion, then upon cancellation/termination the Agency will be assessed a \$100 cancellation fee for each covered Product.

Axon Integration Services Appendix

1. **Term.** The term of this SOW commences on the Effective Date. The actual work to be performed by TASER is not authorized to begin until TASER receives the signed Quote or a purchase order for the Integration Services, whichever is first.
2. **Scope of Integration Services.** The project scope will consist of the development of an integration module that allows the [EVIDENCE.com](https://www.evidence.com) services to interact with the Agency's RMS so that Agency's licensees may use the integration module to automatically tag the Axon recorded

videos with a case ID, category, and location. The integration module will allow the Integration Module License holders to auto populate the AXON video meta-data saved to the [EVIDENCE.com](https://evidence.com) services based on data already maintained in the Agency's RMS. TASER is responsible to perform only the Integration Services described in this SOW and any additional services discussed or implied that are not defined explicitly by this SOW will be considered out of the scope and may result in additional fees.

3. **Pricing.** All Integration Services performed by TASER will be rendered in accordance with the fees and payment terms set forth in the Quote.

4. **Delivery of Integration Services.**

4.1 **Support After Completion of the Integration Services.** After completion of the Integration Services and acceptance by the Agency, TASER will provide up to 5 hours of remote (phone or Web-based) support services at no additional charge to the Agency. TASER will also provide support services that result because of a change or modification in the [EVIDENCE.com](https://evidence.com) services at no additional charge as long as the Agency maintains [EVIDENCE.com](https://evidence.com) subscription licenses and Integration Module Licenses, and as long as the change is not required because the Agency changes its RMS. Thereafter, any additional support services provided to the Agency will be charged at TASER's then current standard professional services rate.

4.2 **Changes to Services.** Changes to the scope of the Integration Services must be documented and agreed upon by the Parties in a change order. If the changes cause an increase or decrease in any charges or cause a scheduling change from that originally agreed upon, an equitable adjustment in the charges or schedule will be agreed upon by the Parties and included in the change order, signed by both Parties.

4.3 **Warranty.** TASER warrants that it will perform the Integration Services in a good and workmanlike manner.

5 **Acceptance.** TASER will present Agency with a completed Checklist (**Checklist**) certifying TASER's completion of the Integration Services. If Agency reasonably believes that TASER did not complete the Integration Services in substantial conformance with this SOW, Agency must notify TASER in writing of its specific reasons for rejection within 7 calendar days from delivery of the Checklist to the Agency. TASER will address the Agency's issues and will re-present the Checklist for the Agency's review. If TASER does not receive a written notification of the reasons for rejection of the Checklist, the absence of a response will constitute Agency's affirmative acceptance of the Integration Services, and a waiver of any right of rejection.

6 **Agency's Responsibilities.** TASER's successful performance of the Integration Services depends upon the Agency's:

6.1 Making available its relevant systems, including its current RMS, for assessment by TASER (including making these systems available to TASER via remote access if possible);

6.2 Making any required modifications, upgrades or alterations to Agency's hardware, facilities, systems and networks related to TASER's performance of the Integration Services;

6.3 Providing access to the building facilities and where TASER is to perform the Integration Services, subject to safety and security restrictions imposed by the Agency (including providing security passes or other necessary documentation to TASER representatives performing the Integration Services permitting them to enter and exit Agency premises with laptop personal computers and any other materials needed to perform the Integration Services);

6.4 Providing all necessary infrastructure and software information (TCP/IP addresses, node names, and network configuration) necessary for TASER to provide the Integration

Services;

- 6.5 Promptly installing and implementing any and all software updates provided by TASER;
- 6.6 Ensuring that all appropriate data backups are performed;
- 6.7 Providing to TASER the assistance, participation, review and approvals and participating in testing of the Integration Services as requested by TASER;
- 6.8 Providing TASER with remote access to the Agency's [Evidence.com](https://evidence.com) account when required for TASER to perform the Integration Services;
- 6.9 Notifying TASER of any network or machine maintenance that may impact the performance of the integration module at the Agency; and
- 6.10 Ensuring the reasonable availability by phone or email of knowledgeable staff and personnel, system administrators, and operators to provide timely, accurate, complete, and up-to-date documentation and information to TASER (these contacts are to provide background information and clarification of information required to perform the Integration Services).

7 **Authorization to Access Computer Systems to Perform Services.** Agency authorizes TASER to access Agency's relevant computers, network systems, and RMS solely for the purpose of performing the Integration Services. TASER will work diligently to identify as soon as reasonably practicable the resources and information TASER expects to use, and will provide an initial itemized list to Agency.
