

**44. Tasers and Related Products**

- Action:**
- A. Approve a unit price, low-bid contract with TASER International, Inc. for the purchase of tasers and related products for the term of five years, and**
  - B. Authorize the City Manager to extend the contract for up to two additional, one-year terms with possible price adjustments as authorized by the contract.**

**Staff Resource(s):** Marie Harris, Shared Services  
Major Michael Adams, Police

**Explanation**

- The Charlotte-Mecklenburg Police Department uses tasers to restrain violent individuals when alternative restraint tactics fail; or are reasonably likely to fail; and/or where it would be unsafe for officers to approach a subject to apply restraints.
  - A taser uses an electrical current to temporarily disrupt voluntary control of muscles causing short-term neuromuscular incapacitation.
- The Shared Services Procurement Management Division, on behalf of Police and the Charlotte Cooperative Purchasing Alliance, issued an Invitation to Bid for tasers and related products on October 17, 2013; one bid was received.
- The unit prices are set forth in the proposed contract, and are available upon request.
- Annual expenditures under the contract are estimated to be \$175,000.

**Background**

- The Alliance is a cooperative purchasing program established by Procurement with the specific purpose of reducing costs by leveraging aggregate purchasing volume to receive better pricing.
- Approximately five public entities have expressed interest in using this contract through the Alliance.

**Charlotte Business INclusion**

No SBE goal was set for this contract because there are no subcontracting opportunities (Part C: Section 2.4 of the SBO Policy).

## Tasers and Related Products Contract

### Action:

- A. Approve additional expenditures under an existing City contract with Axon Enterprise, Inc. in the estimated amount of \$2,703,462.72 to provide tasers and related products for the Charlotte Mecklenburg Police Department (CMPD),**
- B. Authorize the City Manager to approve price adjustments and further amend the contract consistent with the purpose for which the contract was awarded, and**
- C. Adopt a budget ordinance appropriating \$2,320,212.43 into the Capital Equipment Fund.**

### **Staff Resource(s):**

Kerr Putney, Police  
 Stephen Willis, Police

### **Explanation**

- On January 13, 2014, City Council approved a contract with Taser International, Inc. (now Axon Enterprise, Inc.) for the purchase of tasers and related products for an initial term of five years with two additional, one-year renewal options.
  - If all currently-available renewals are exercised, the contract will expire on January 12, 2021.
- The City now wishes to purchase tasers and products, which will increase total spending over the span of the current contract to \$2,703,462.72 to replace all (1,743) end-of-life CMPD tasers.
- The original contract of \$175,000 annually was used to purchase tasers for additional police recruits.
- The contract was competitively solicited in 2013 on behalf of the City and the Charlotte Cooperative Purchasing Alliance (CCPA).
  - CCPA is a City-run cooperative purchasing program that reduces costs by leveraging aggregate purchasing volume from numerous public agencies.
- The ongoing annual expenditures from the General Fund to repay the Municipal Debt Service Fund over five years beginning in FY 2019 are estimated to be \$540,693.

### **Charlotte Business INclusion**

No subcontracting goal was established for this contract amendment because there are no subcontracting opportunities (Part D: Section 6 of the Charlotte Business INclusion Policy.)
